

REMARKS

By this amendment, Claims 1, 15-16, 18, 27, 32, 36, 46-47 and 53 are amended leaving Claims 1-53 pending in the application for the Examiner's review and consideration. Independent Claims 1, 16, 18, 36 and 47 have been rewritten to recite heat-degradable filler particles having a mean average particle size from about 0.05 to about 1 mm. Support for this change can be found at page 13, lines 6-8 of the specification. This amendment was discussed with Examiner Lopez on May 10, 2004, and Examiner Lopez indicated that any claims incorporating such feature would be allowable. Claims 15, 27, 32, 46 and 53 have been rewritten in independent form. As no new matter has been introduced by these changes, they should be entered at this time. Reconsideration of the Official Action is respectfully requested.
